

It's lovely and warm in the farmer's house.
There are lots of places to hide. There's lots
of food to eat.

Harry jumps into a big boot. There's a
woolly sock inside.

Harry makes a nest and goes to sleep.

Harry wakes up early the next morning. He hears
loud noises. He waits quietly inside the boot. He's
very scared.

Suddenly, he sees a big ginger face and two big
green eyes looking at him.

'Eeek!' says Harry the mouse. 'It's the ginger cat.'

'Miaow!' says the cat.

What's the
cat's name?
